DESERT

7073

plank size: 185 x 1505mm

The deep, earthy browns evoke a sense of grounding and comfort, perfect for homes with a cozy, natural vibe.

DESERT

DUNE

7071

plank size: 185 x 1505mm

Warm sandy tones perfect for creating
a relaxed, coastal feel.

DUNE

GUMLEAF

7075

plank size: **185 x 1505mm**

Muted grey-green tones introduce a calm, nature-inspired palette that feels fresh and natural.

GUMLEAF

JACARANDA BLACKBUTT

7078

plank size: **185 x 1505mm**

This bold shade is inspired by Australian Blackbutt, showcasing intricate grain details and a rich, natural texture. It brings a sense of sophistication and timeless elegance to homes, celebrating the beauty of native Australian hardwoods while adding a touch of depth and luxury.

JACARANDA BLACKBUTT

KAKADU

7074

plank size: **185 x 1505mm**

A rustic wood tone that enhances the organic, earthy feel of spaces, bringing nature's raw beauty into homes.

KAKADU

OPAL

7070

plank size: **185 x 1505mm**

This light timber shade brings a refreshing and bright feel, making homes feel spacious and uplifting.

OPAL

OUTBACK SPOTTED GUM

7079

plank size: **185 x 1505mm**

Inspired by the resilient Spotted Gum tree, known for its rich, varied colour and strong grain pattern, this shade introduces a warm, earthy tone into homes. The natural markings of the Spotted Gum tree add character and depth, reflecting the rugged beauty of Australia's native landscapes, while creating a welcoming and natural feel.

OUTBACK SPOTTED GUM

REEF

7072

plank size: **185 x 1505mm**

Soft, neutral tones offer a serene and calming touch, complementing modern, minimalistic home designs.

REEF

SEASPRAY

7077

plank size: **185 x 1505mm**

This darker, muted tone offers a sense of depth and sophistication while still evoking the freshness of coastal elements. Its subtle colour variation brings a refined, calming atmosphere, making it perfect for homes seeking a balance of modern style and natural inspiration.

SEASPRAY

WATTLE

7076

plank size: **185 x 1505mm**

Warm honey hues instill a welcoming and cozy atmosphere, making homes feel inviting and comforting.

WATTLE

Karri Luxury Vinyl Plank is the latest addition to the Reside brand. Featuring realistic wood grains and intricate knot and grain detailing, Karri offers an authentic wood appearance that enhances any space. With a water-resistant surface, Karri is designed to withstand everyday spills and moisture, making it ideal for living rooms, kitchens, and high-traffic areas. This durable flooring solution combines aesthetic appeal with practical functionality, ensuring a long-lasting and beautiful finish in any room. Karri is exclusive to Flooring Xtra.

We want your Karri floor to look its best for many years to come and to help with this we have laid out the following floorcare guidelines. Karri does not harbour dust mites or bacteria, making it ideal for the home environment.

Initial Cleaning after installation

- Avoid walking on the floor for at least 24 hours following completion of installation.
- Sweep or vacuum to prevent loose dirt from scratching the floor.
- Polishing your floor can be beneficial to help prevent slight surface scratches and to provide further protection.

Day to Day Cleaning

Regularly sweep or vacuum your floor to remove loose dirt, grit or dust. It's important to use clean mops and neutral cleaning solutions when regularly cleaning your floor. Always dilute the floor cleanser to the manufacturer's instructions. Please ensure you mop your floor evenly and collect any excess liquid in a mop bucket.

Do:

- Install barrier mats at entrances to pick up grit and moisture. (Please note, some rubber-backed mats may discolour the floor).
- Ensure your furniture is fitted with protective pads, where necessary, to prevent scratches.
- Use protective cups under heavy furniture to prevent indentation.
- Remove spillages as quickly as possible to reduce the risk of staining and causing slip hazards.
- Always use clean equipment when maintaining your floor.
- Regularly trim pets claws as these can cause fine scratches.

Don't:

- Use abrasive liquids or metal scouring pads as these can damage the floor.
- Clean the floor with solvents, caustic detergents washing up liquids, soap powders, bleach, furniture polishes, petroleum-based products, pine gels, stain removers or highly coloured products. Such products may make the floor slippery or cause permanent damage.
- Drag furniture with unprotected feet across the floor.

pureflor™
for a better environment

HARD SURFACE CLEANER

A floor cleaner for hard surfaces around the home and office.

Suitable for use on : vinyl flooring, tiles, wooden floors, concrete.

PUREFLOR sets a new benchmark for Hard and Soft Surface Cleaning performance.
