COMMERCIAL

LUXURY VINYL TILES

Premium Luxury Vinyl Tiles for Commercial Interiors

Creating the best commercial spaces requires flooring solutions that are tailor-made to suit your vision. The Expona Commercial range was created to realise this vision with reproductions of the widest range of natural and man-made materials combined with innovative modern finishes. Expona is not just synonymous with flooring expertise but is also a symbol of quality, reliability, and high design. Expona Commercial has the perfect specifications to provide a hard-wearing floor covering in a busy environment.

Explore infinite design floor possibilities with 'ready to use' design floor solutions. The collection now includes three brand-new plank and tile formats across eight shades. These versatile designs work effortlessly as standalone floors or when laid together to create natural zones and walkways within interiors.

5168 COOL GREY CONCRETE

Expona Commercial Stone is an essential and contemporary collection of natural mineral designs and modern man-made materials, including clean and rustic stone effects, strong slate designs and raw industrial surfaces. Extensively researched and developed, the collection beautifully replicates the unpredictability of classic materials.

SUSTAINABILITY

As a leading global manufacturer of high performance and environmentally preferable (Global GreenTag^{Cert}TM GreenRateTM Level A and LCARateTM Gold certified) floor coverings, Polyflor has demonstrated continual sustainability performance improvement compared to 2021 for 2022 in our most recent 2023 Sustainability Performance report with a 14% reduction in CO₂ emissions per tonne of flooring delivered, a 46% reduction of water use and 98% rate of recycling or repurposing of waste in production.

Expona Commercial is 100% recyclable within the ResiLoop scheme, whilst also containing 40% recycled material. It contains 55% natural materials, is phthalate free and REACH compliant. Polyflor is taking action to reduce embodied carbon in our flooring as highlighted in our recent 2023 Sustainability Performance report. Expona Commercial is extremely durable with its 0.55mm wear layer and PUR finish, and if installed and maintained correctly can last for 15 years or beyond. Due to its flat, smooth surface Expona Commercial is easily cleaned with only a small amount of chemicals, water and energy.

Furthermore, Expona Commercial achieves Indoor Air Comfort Gold and FloorScore certification for exceptionally low VOC emissions, providing indoor air quality and comfort. In support of improved sustainability in construction, particularly with regards to BRE, LEED, WELL, SKA and Green Star projects, Polyflor has a product specific EPD (Environmental Product Declaration), FDES and BRE LCA to assist.
